### Geography
Students will answer these questions:
- What makes a place special?
- How can we look after the places we live in?

http://tinyurl.com/wgrecycle

### History
Students will investigate the following questions:
- What stories do other people tell about the past?
- How can stories of the past be told and shared?

http://tinyurl.com/whatisthisau

### Technology
Students will participate in digital games and learning objects to enhance literacy and numeracy skills. Preps will use a variety of ICT devices for different components, including laptops and iPads.

http://tinyurl.com/cyberskills

### Music
Students will be demonstrating their knowledge of rhythms by reading and playing different phrases and songs. Students will be exploring different rhythmic phrases by creating their own simple patterns.

### PE
Students in Prep will be focusing on their catching, throwing and kicking skills. They will also be attending swimming lessons at the end of the term.
